17th Annual Outdoor Science Celebration
Wetlands, Woods, and Water Displays for All Ages
Face-to-Face with Specialists and
Animals, plus interactive displays!

Greetings!

As we listen to the Springtime songs of frogs, we are excited to contact you, and confirm your involvement in the 2017 Frog Fest on Saturday, the 8th of July.

Our location in Cedarville draws people of all ages; the displays encourage stewardship; and face-to-face experiences offer many learning opportunities.

As we plan, we look forward to hearing from you, and plan an area to meet your needs. Thank You!!
