You will help trained instructors trawl for fish, collect bottom, plankton & water samples, raise the anchor & sails and take a turn at the helm. While under sail small groups will rotate thru stations to study the collected samples and discuss how they relate to the health of the Great Lakes.
- There will be two (3 hour) sails per day; **each limited to 32 participants for \$10 per person**. For ISEA Family Discovery Sail program descriptions and information go to **[schoolship.org](http://schoolship.org)**
